

ICT4 YOUTH WORK

EMPOWERING YOUTH WORK IN THE DIGITAL AGE!

PROJECT OBJECTIVES

The ICT4YOUTHWORK project aims to better enable youth organizations, youth services and youth workers in reaching young people and delivering to them activities that will ensure responsiveness to the trends in society such as the latest progress in technologies and digital media.

The ICT4YOUTHWORK sets to:

- map, analyze and report on good practices in online youth work;
- enhance the uptake of ICT, digital and social media in the practices of organizations engaging in youth work;
- improve the access to existing knowledge, experience and know-how on best practices, tools and methodologies for youth work in the digital age;
- and promote effective digital communication amongst youth workers and young people in Europe.
